That's Amore, I Mean October Weekend

It was cold, wet, windy, many of you reading this did not venture any further than your front porch. It wasn't the best weekend for camping, but the EYC members faced it head on and had an awesome time they will never forget. You know how extreme conditions make the best memories; this was one of those times. Imagine a place where everyone loves you no matter what you look like or what you are wearing, a place where people will listen to you and not judge you, a place where the music starts playing and you are immediately surrounded by strangers wrapping their arms around you to form a massive circle of love; that's October Weekend. Just ask Morgan, Elizabeth, Vicky, Tiffany, Caitlin, Alex, Daphne, Carol, Robert, Ryan, Cathy, or Roy. Thanks to those who drove, offered to drive, prayed for us, or financed the weekend, your contributions helped make a life-changing experience possible

Another great Hallowe en

A big thanks to those who came out for Trunk or Treating. It was great fun and the kids loved it. Also thanks to Will and Michelle Bowers for the Halloween party refreshments (wonderful as usual) and to Tom Howard and Paula Lange for providing the hayride, always a favorite for all ages.
