Mark Your Calendar for Blackstone

Blackstone 2010: Friday, March 26- Sunday, March 28 at the United Methodist Assembly Center in Blackstone, Virginia. Like October Weekend... but even better! Must be in grades 8-12 to attend. There will probably be a talent show, so start rehearsing if you would like to perform. The cost is \$110 but will be paid by EYC funds. We do request a deposit check for \$55.00 that will be returned to you when your child attends. This ensures that EYC funds will not be lost on deposits of kids who don't show up. Bedding, towels and meals will be furnished.

Look Before You Leap

A pilot, Michael Jordon, Bill Gates, the Pope, and a pizza delivery man were all in a plane together traveling through stormy conditions. Suddenly, the pilot ran back to the passengers and announced that lightning had hit the plane, and they were going to crash in a matter of minutes. "There are only enough parachutes for four of the five of us," he announced. "Since I'm the pilot, I get one!" After saying this, the pilot grabbed a parachute and jumped out of the plane. "I'm the world's greatest athlete," proclaimed Michael Jordon. "This world needs great athletes, so I must live." Michael Jordon then grabbed a parachute and leaped out of the plane. "I'm the smartest man in the world," bragged Bill Gates. "The world needs smart men, so I must also live!" Bill Gates grabbed a parachute and jumped out of the plane. At this point, the Pope began to speak to the Pizza delivery boy. "I have lived a long life compared to you, and you may take the last parachute. I will go down with the plane." "You don't have to do that, replied the pizza delivery guy. Bill Gates just jumped out with my backpack!"
